

## TirloK Welding Works organises Safety Awareness Drive

The TirloK Welding Works (TWW) organized a cultural evening aimed at creating awareness on safety on March 06<sup>th</sup> 2011 in collaboration of Bharat Heavy Electricals Limited and Engineers India Limited (EIL) among TWW's and other plant employees including staff members, workers and other co-workers. Sr. Officials of TWW/HMEL/BHEL delivered a special lecture stressing on the importance of safety amongst industrial workers and distributed prizes to dedicated workers to boost up their enthusiasm and responsibility toward safety.

Though satisfied over the safety records in TWW and the recent improvements in reducing the incidents, Senior staff members urged the employees to further improve the safety practices to reach a stage of 'nil accident' and appreciated them on achieving higher and higher work and financial targets as well and assured them that it would not be impossible to reach the ideal situation of accident-free life in the working premises.
